About Us ↗

Examinax is a next-generation exam simulation platform designed to provide real 1-on-1 test experiences for high-stakes exams like IELTS, SAT, and TOEFL.
We help students around the world prepare effectively with timed mock trials, expert evaluations, and real-world exam conditions.

- ✦ Live Exam Simulations
- ✦ Performance Track
- ✦ Tutor & Institution Disccounts

Why You Should Choose Our Services ↗

Our advantages are:

Every exam question is created from scratch by experienced tutors with a proven record of high-scoring students.

Exams are scheduled and launched globally at the same time to simulate official exam pressure.

Our dashboard provides students with past and upcoming test data, feedback, and progress insights.

Our Vision ↗

To become the world's most trusted platform for real exam simulation, helping learners confidently prepare and succeed from anywhere.

↗ Our Mission

- Deliver test environments that mimic real exam settings.
- Help students reduce anxiety and improve performance.
- Support educators through collaboration, transparency, and shared growth.
- Ensure security, fairness, and academic integrity in every exam.
