Mission

At Examinax, our mission is simple — to bring fairness, structure, and real exam readiness to every student, no matter where they are. We're building the platform we wish we had when we were preparing.

Murad Nurubayli

Co-Founder, Examinax

We created Examinax to raise the bar for mock exams. Every feature — from the realistic simulation to the instructor feedback — exists to give students a serious advantage in high-stakes exams.

Farid Ahmadov

Co-Founder, Examinax
